Alaska DENTAL SOCIETY

POWERED BY DENTLOGICS

Train your whole team. No travel required.

Introducing the **Alaska Dental Society Academy**: online training, CE and certifications for every role in your practice, built for Alaska and offered **only to ADS members**.

150+
Expert-led video courses

AGD
PACE approved CE on every course

2,000+
Dental practices trust Dentlogics

20,000+
Team members trained

Built for the way Alaska practices actually work

CE without the commute
From Ketchikan to Fairbanks, learn online on any device. No flights, no hotels, no closed chairs.

Onboard new hires faster
Role-based learning paths give every new team member the same expert training from day one.

Stay compliant, stress-free
OSHA, HIPAA, infection control and more, with certificates tracked for your whole team.

Exclusive discounted pricing for ADS members | **dentlogics.com/ads**

Featured certification
Certified Front Desk Specialist →

FEATURED CERTIFICATION

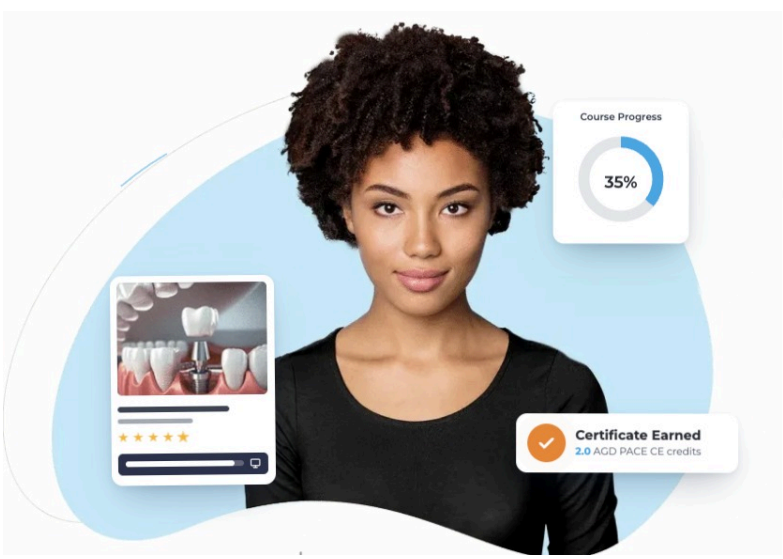

Certified Front Desk Specialist

An Alaska Dental Society Program Powered by Dentlogics

Your front desk is the **first voice patients hear** and the **last impression they take home**. This is the first program of its kind to give that role formal professional recognition.

- 15 hours of video training
- 100% online and self-paced
- Taught by industry experts
- ADS co-branded certificate

INSIDE THE ACADEMY

Everything your practice needs, in one place

- **Learning paths for every role:** front office, practice management, clinical and compliance
- **Team dashboards** to assign courses and track progress
- **Certificates of completion** for every course
- **Burst learning** that picks up right where you left off
- **New courses added every month**, plus ADS-featured courses and initiatives

Get your team started in 3 steps
