

IDA Member Benefits

Advocating For You

We are the most influential oral health group in Iowa, advocating on your behalf at the statehouse and with other organizations and agencies to ensure the dentist's perspective is heard.

Discounts and Savings Programs

A robust offering of members-only **endorsements, discounts and savings programs** designed to save you time and money at your office and at home.

Keeping You Informed

IDA Today, our weekly e-newsletter, keeps you informed with the latest news and events impacting dentistry and your practice. During the legislative session, the *Legislative Update* covers bills and activities affecting dentistry, while election webinars offer insights into candidates and what to expect on election day.

Third Party Concierge

ADA **Third Party Concierge** helps you navigate insurance questions and claims. The **ADA Contract Analysis Services** can help ensure there are no surprises in your payor contracts.

Continuing Education

You can get your continuing education in various places, but members know the **IDEAS Annual Session** and education through local district meetings are your trusted sources for continuing education.

Career Services

Stay on track with your career and find partners and associates through the **ADA Career Center** and post available positions for the dental team on the **IDA Classified Listings** page at no charge. Follow us on **LinkedIn** to see the latest postings.

Wellness Resources

We are committed to **helping our members** find new ways to manage everyday stressors and access the support they need in times of crisis with programs such as **IADAPT** and initiatives to **eliminate mental health discrimination from licensure applications**.

Local District Membership

Your local district may offer social events, education sessions, legislator meet and greets, and business meetings throughout the year. These are all tailored to the needs of dentists in your communities.

Professional Connections

The IDA prioritizes networking events throughout the year and works with local districts to plan well-attended events to make it easier for you to connect with your colleagues.

Giving Back

The Iowa Dental Foundation allows dentists and others to collectively give back, investing in the future of dentistry and supporting communities through initiatives like scholarships and the Iowa Mission of Mercy.
